Dear Parent/Carer,

Re. Instrumental/Vocal Tuition for Year 11 BTEC Tech Award in Music Practice

We are pleased to continue to offer a generous school subsidy to all Year 11 BTEC Music students having instrumental/vocal lessons with Herts Music Service in 2023 – 2024. With the 50% school subsidy, individual 20 minute lessons will cost £88.00 per term and 30 minute lessons will cost £176.00 per term. The subsidy applies for the Autumn and Spring terms only and will finish at the end of March 2024. If you wish lessons to stop at this point you must communicate this directly to Herts Music Service in line with their cancellation deadlines. The school cannot do this on your behalf.

If your child is already having lessons with Herts Music Service you do not need to do anything. The discount will automatically be applied in September and lessons will continue as normal.

If your child is not currently having lessons with Herts Music Service and you would like to sign up please click on this [link](#). It is best to do so as soon as possible before the end of term in order to guarantee lessons starting straight away in September.

To apply for further financial support in addition to the TAA subsidy please click on this [link](#). This needs to be reapplied for every academic year, even if you were previously eligible and your circumstances have not changed.

I would like to take the opportunity to thank you for supporting your child's musical education and wish them every success as they continue their BTEC Music Tech Award qualification.

Yours faithfully

Mr J Wright

Head of Music
